

1. Download the archive from the MOEX FTP server:
https://ftp.moex.com/pub/Terminals/ASTS/Equities/Test/mxFmx_MoexTradeSE_v16.tar.xz.
2. Extract it into a directory within the user's home directory (recommended).
3. Run the executable file **mxFmx_MoexTradeSE**.

Application data:

- Settings: /home/<Username>/MICEX/mxFmx_MoexTradeSE/.
- Cached tables and logs:
/home/<Username>/cache/MICEX/mxFmx_MoexTradeSE/.

Uninstallation: Manually delete the terminal directory along with the settings and log directories.

Important! This version is intended for testing purposes only.
